

How to become an Approved Vendor For Gulf Coast Regional 2013

Upon acceptance as an Approved Vendor, provide a \$10.00 donation or donate something of equal or greater value for a raffle. As an 'approved vendor', the Contest Director will include your name and/or company in the program and on the GCR web page. Throughout GCR, the Contest Director will mention your products and where they are located for sales. During GCR, we will sell raffle tickets for products.

Click the GCR logo at upper left and enter a message to the Contest Director stating:

- Your name
- Your company name
- Your web page address
- What you will be selling
- What you will be donating
- How the Contest Director can contact you

In order to enter Johnson Space Center, you must be on the access list. Please go to return to the registration page or go to <http://tccnhrc365.eventbrite.com> and register for the contest so that your name will be added to the access list. You don't have to compete, but you must register.
